Parents Introductions

Club Update

- Quiz night went really well, had about 160 people and raised over £130. We would like to organise another one for April.
- Mini match club started in December, More advertising to be made at more schools and to have U10 girls as well. This is run on Saturday 1-2pm on the Astroturf.
- Newsletter – Feedback - not everyone received this. It is on the Brook End Colts website.

Summer Tournament

A discussion took place on whether the parents / club would like to hold a tournament and whether there would be enough parents to help on the day. LS to clarify what the date is and to send out an email to all parents asking what help is needed and if parents can put their name for particular jobs. It was agreed there would be at the end of June or early July.

Club Events

It was suggested an event Wilton Hall. This was discussed but maybe thought to be too expensive but to review the idea again.

Border Counties are having a Dinner and Dance to celebrate 40 years. This is being held on 31st May. The cost was £45 for a 4/5 course meal. The club have also be asked to sell raffle tickets where some of the money goes to your club.

Presentation Fun Day

This was discussed and several ideas were raised and to have this in early evening rather than an all day event and to have activities outside, whilst teams are inside for their presentation. To also have a barbeque. Look to hold at Tattenhoe. Sports Pavilion. Possible date end of May/beginning of June.

Kit Shop

To look at having this on the website, adults to buy bench or rain jackets. Also discussed was about kit replacement for all teams next season as some of teams kits were too small or too big.

This raised the option of players paying a registration (retainer) fee of £25 at the beginning of the season, this could purchase a new kit (not including the rain jackets).

Sponsorship would also help with the kit.

AOB

LS suggested to have cards printed with website details on, so can give to parents. Website would be a good communication to all parents / players from managers trying to update on matches etc..

Next Meeting

Monday 22nd February 2009
